O'til. a March 19, 1829. 34 southfifth street. Ruhardson Ford The Secretary of State. bir, Early in March I sent to Washington a new book entitled Elements of Geometry, Loing Shiefly a delection from Playfains Geometry, &c. The book was embored in a cover, and directed to The Hone the servetary of state.

under the first cover was another directed to

Dr. Jones, Outcut Office, with a note to Dr. Jones. Though I have sent many books to The ceretary of state, yet I now find that I always directed them wrong on the under cover, namely, to the Outent office. But the late Dr. Thornton had corrected my mistake, and always sout ne notice of their arrival. I have received no advice of the arrival I my book, and suppose that the book is not at the Office of the Socretary of State.

Nichols, Francis Philadelphia Marcho 19. 1829. Orobably it is at the Outert Office, or, in the hossession of Da. Jones. While the book was in the pross the printer Ambrose Walker, sewelly took out a Cartifical of Copy-right in the name of his nephew, Samue Walker, Sho still holds it. My name appears in the printed copy of the Certificate on the back of the title - page of some of the fiven in volumes. I am therefore the more desirous that a volume having my name in the copy The Certificate should be deposited in the Offer mua of the Secretary of State. I am ros hertfully, sir, your obestient Terrant, 34 southfifth street, Francis Nichols. The offers of the stage that

Cincinnati, Ohio, Jany. 15th 1830 with Secretary State, for the forward by this mail a copy of a was entitled the " b sentials of brights Grammar, for which we wish the copy right of the U. S. - There is who accompanying it, another little volume, for which we never received the right. The forwarded to Washing-In two copies of it, within the time required by the law and when the right, as we expected, came, we found, In opening the letter, that Mr. Clay had sent us The right of a book, belonging to an individual, retiding in the Ecestern Heles. We returned it, requesting a correction of the mistake, since which time, we have heard nothing of it. We presume, Tow will finditly a reference to the lecord; and, I to you will have the goodnoss to send us that rightabothe work is called The child's First leftons, in definitions, &c. or Supplement to Pickets Primer. Moshespelfully.
